Lots of people are inquiring of the whereabouts of Francis Schlatter. The Santa Fe officials are trying to locate him. He is supposed to be in the Zuni country, New Mexico.

B. E. Blake & Son, seven miles southwest of Liberal, raised 50,000 pounds of garden seed last year, for which they got \$5,000. How's that?—Liberal News.

Mr. Blake is the seed raiser the GLOBE-REPUBLICAN mentioned last week.

Wm. Old, a brother of Mrs. R. W. Evans, who has been living with R. W. Evans and family for several months past, left Monday night for Los Angeles, where he is engaged to work for R. P. Adams, a contractor. Mr. Old resided on the coast several years.

The late pleasant and warm weather has swelled the peach and apricot buds. Dr. Crumline says the peach and apricot buds on his trees have swelled largely in the past few weeks. He noticed the maple buds on the trees in the yard of City Marshal Rhodes, and finds them swelled considerably.

The following officers were installed by Apollo Lodge No. 62, Knights of Pythias, on Thursday evening, January 20:

R. S. Crane, C. C.; Otto Zeise, V. C.; T. C. Owen, prelate; S. P. Reynolds, M. F. and M. E.; G. H. Lawrence, K. K. S.; R. S. Robinson M. A.; A. L. Crawford, I. G.; A. W. Reedy, O. G.

Because of the enforcement of the law against keeping children—girls over 14 years and boys over 12—in the Fort Dodge Home, some of the old soldier inmates of the institution are following their children out. Without an industrial school the Home is not a fit place for the development of the youth.

The last jurymen drawn in the panel of the jury on the cattle stealing case, started the usual serenity of the court room, Monday, by a waggish remark. After all the usual legal forms had been gone through with, the attorney for the defense asked him if he knew of any reason why he should not serve on the jury. He replied "he did not know, unless because he was from Missouri."

Electric Bitters.

Electric Bitters is a medicine suited for any season, but perhaps more generally needed, when the languid exhausted feeling prevails, when the liver is torpid and sluggish and the need of a tonic and alterative is felt. A prompt use of this medicine has often averted long and perhaps fatal bilious fever. No medicine will act more surely in counteracting and freeing the system from the malarial poison. Headache, indigestion, constipation, dizziness yield to Electric Bitters. 50c and \$1 per bottle at W. F. Pine's drug store.

It will be an agreeable surprise to persons subject to attacks of bilious colic to learn that prompt relief may be had by taking Chamberlain's Colic, Cholera and Diarrhoea Remedy. In many instances the attack may be prevented by taking this remedy as soon as the first symptoms of the disease appear. 25 and 50 cent bottles for sale by W. F. Pine.

Children Cry for Pitcher's Castoria.

Mr. Arment having faithfully performed these duties for five years past. In a few timely words Miss Hale presented to Mrs. Arment a handsome Degree of Honor pin. A new family moved into Great Bend last month, and before Christmas they had borrowed of the neighbors money, flour, butter, lard, soap, sugar, coffee, starch, curling irons, scissors, coal and corsets. They explained that it was the universal custom in Dodge City, where they lived formerly, to borrow, but it is not good form in thrifty, bet paying Great Bend to impose on the neighbors, and the new family has been boycotted.—Kansas City Star.

You have the names of the places reversed. It was the Great Bend family that moved to Dodge City. If the boycott continues the family may have to "go onto the county."

Marvelous Results.

From a letter written by Rev. J. Gundersen, of Dimondale, Mich., we are permitted to make this extract: "I have no hesitation in recommending Dr. King's New Discovery, as the results were almost marvelous in the case of my wife. While I was pastor of the Baptist church at Rives Junction she was brought down with Pneumonia, succeeding La Grippe. Terrible paroxysms of coughing would last hours with little interruption and it seemed as if she could not survive them. A friend recommended Dr. King's New Discovery; it was quick in its work and highly satisfactory in results." Trial bottle free at W. F. Pine's Drug Store. Regular size 50c. and \$1.00.

Not a few who read what Mr. Robert Rowls, of Hollands, Va., has to say below, will remember their own experience under like circumstances: "Last winter I had la grippe which left me in a low state of health. I tried numerous remedies, none of which did me any good, until I was induced to try a bottle of Chamberlain's Cough Remedy. The first bottle of it so far relieved me that I was enabled to attend to my work, and the second bottle effected a cure." For sale at 25 and 50 cents per bottle by W. F. Pine.

A county newspaper is not a banking institution for the purpose of lending out sums of money for several years without interest. Publishers of county newspapers need their money the same as any other business men do theirs, and no subscriber should allow himself to get more than a year in arrears at a time.

As a successful squash raiser, the Lakin Advocate says "uncle" Jim Kemper holds the blue ribbon outside of irrigation. From twelve acres of squashes he cleaned 800 pounds of good seed. Uncle Jim has a reputation for farming outside in the so called dry, and the Broncho threshing machine found much grain to thresh at his place on Thursday last.

Many merchants are well aware that their customers are their best friends and take pleasure in supplying them with the best goods obtainable.
